ICONIC CHICAGO BUILDING, ONE NORTH LASALLE, DEBUTS NEW AMENITY FLOOR

CHICAGO, March 9, 2017 – MB Real Estate (MBRE) announced today the opening of One North LaSalle’s new, full-service amenity floor, The Landmark. Construction of The Landmark began in Fall of 2016, and the recently delivered space is now available for tenant use.

Conveniently located on the 25th floor, The Landmark features a state-of-the-art fitness center, fully-equipped conference facilities, lounge areas, and a rooftop top deck and terrace. Tenants also have access to on-site personal training and bike storage.

The location of The Landmark is not only easily accessible to tenants, but was carefully selected for the floor’s spacious layout, abundance of natural light, and impressive views of the city.

The new amenity floor was developed to provide tenants with a wide range of services in a contemporary, comfortable setting. “We wanted to give tenants a space that would improve the overall quality of their workday and experience at One LaSalle,” said Kevin Purcell, President of MBRE’s Leasing and Management Services. “Whether they’re looking to get away from the office for a while or need extra space for business purposes, The Landmark affords tenants those resources without having to leave the building.”

One North LaSalle is an historic Loop building centrally located in downtown Chicago. MBRE has provided leasing and management services for the property since 1998.

About MB Real Estate Services Inc.

Founded in 1982, MB Real Estate is a full-service real estate organization that provides multifaceted expertise in Asset/Facilities Management; Leasing Services; Project/Construction Management; Tenant Representation and Investment Services.
