MBRE EXPANDS ITS BROKERAGE TEAM WITH THREE NEW HIRES

CHICAGO, June 25, 2018 – MB Real Estate (MBRE) announced today that it has recently added three members to its brokerage team. MBRE’s newest brokers, Ashley Harrison, Kayla Beljan, and Nathan Miller, were all hired in the last three months, a move that reflects the commercial real estate firm’s expanding footprint.

Ashley Harrison, an Associate on MBRE’s Leasing Services team, has an extensive background in real estate private equity. Her past roles focused on finance and accounting at both asset and fund levels.

“We’re leasing space at a rapid rate and looking to expand our leasing portfolio,” said Mark Buth, EVP and Managing Director of MBRE’s Leasing Services division. “We need the best people to keep up with the market and find more growth opportunities for our business, and Ashley has the right experience and drive to do just that.”

Kayla Beljan is an Associate on MBRE’s Corporate Services and Tenant Advisory team and has significant experience in business-to-business sales and business development. Nathan Miller, also an Associate on MBRE’s Corporate Services and Tenant Advisory team, has a well-rounded background in both client services and business development.

“Corporate Services is handling more national and international representation than ever before, and we need more feet on the ground to contribute to those efforts,” said Andy Davidson EVP and Managing Director of MBRE’s Corporate Services and Tenant Advisory division. “Kayla and Nathan have a lot of experience in business development and client relationships that make them perfect additions to our team.”

About MB Real Estate Services Inc.

Founded in 1982, MB Real Estate is a full-service real estate organization that provides multifaceted expertise in Asset/Facilities Management; Leasing Services; Project/Construction Management; Tenant Representation and Investment Services. Separately, MBRE Healthcare and its independent affiliate fund manager, ROA Holdings, are a full-service real estate entity that acquires, develops, leases, and manages healthcare facilities across the United States.
