SUZANNE HENDRICK WINS CONNECT MEDIA'S 2020 WOMEN IN REAL ESTATE AWARD

CHICAGO, NOVEMBER 16, 2020 – MB Real Estate is overjoyed by the news that our very own Suzanne Hendrick is a winner of Connect Media's 2020 Women in Real Estate Awards in the Chicago/Midwest region. For the fourth year in a row, Connect Commercial Real Estate honored women who have influenced the market around them through sheer talent and drive, and it is no surprise to those of us here at MBRE that Hendrick was singled out.

Recently promoted to Executive Vice President, Hendrick is currently the Managing Director of Asset Management. Responsible for managing and guiding MBRE's asset management portfolio, Hendrick's responsibilities span from leading and mentoring on-site management teams to directing day-to-day operations. Hendrick also helps lead business development and strategy at MBRE. Throughout her roles, Hendrick is integral in how MBRE is perceived by clients and prospective clients and has directly enhanced MBRE's reputation throughout the industry.

"Suzanne's tireless efforts elevate Asset Management and MBRE as a whole," said MBRE COO, Patricia Aluisi. "Suzanne has consistently demonstrated her leadership and mentoring abilities to colleagues and our on-site teams alike. This leadership has earned praise from our clients and is directly related to prestigious additions and renewals to our management portfolio."

Recent management additions for MBRE's portfolio include the Chicago Riverwalk, 190 S. LaSalle, and the renovated Old Cook County Hospital building, now dubbed Harrison Square. Hendrick was also instrumental in MBRE's renewal for the management of the Richard J. Daley Center and Millennium Park. This year, Connect Media chose 110 women across the country to highlight. Winners are selected from every corner of the CRE industry, such as development, finance, brokerage, and investment sales.
